

Orchard Hills

Assisted Living For Today's Seniors

Dear Prospective Resident or Family Member,

Since 1999, Orchard Hills has provided assisted living services to seniors throughout the Chippewa Valley. Our professional daily living services and personally satisfying amenities provide a quiet background of certainty and confidence for our residents. Just as important, family members have peace of mind knowing their loved one is supported and comfortable.

Within the community of assisted living providers, we strive to be known for our inviting and comfortable atmosphere; professional, friendly caregivers; and the quality of our services. A few of our most appreciated, unique features include:

- **All-inclusive monthly rate of \$3200:** This rate includes room and board, all meals, personal care assistance, nursing services, medication administration, housekeeping, laundry services, etc. We do not have additional “care levels” or “care points” resulting in additional fees, as is common with most other assisted living providers. As a resident of Orchard Hills, you can count on paying the same rate of \$3200 each month, regardless of the assistance you need. (see enclosed flyer for further detail)
- **Professional nursing services:** A nurse provides on-site visits five days a week and 24-hour on-call. (see enclosed flyer for a description of nursing services)
- **Conveniently located next to Dove Healthcare-West:** Our close association assures skilled nursing and rehabilitation services are just a step away if you require a short-term, in-patient stay.
- **Physical, occupational and speech therapy:** Out-patient therapy services can be easily coordinated and provided on-site by Transitions Rehabilitation.
- **Enjoyable outings and activities, including weekly church services:** Daily activities encourage socialization and camaraderie. (see enclosed calendar)
- **Healthcare Chaplain:** Nathan Oldenkamp is available upon request to attend to your spiritual care needs. (see enclosed brochure insert)

The **Program Statement** enclosed provides a detailed overview of our services, goals, and limitations as a community based residential facility (CBRF). The **Application for Admission** needs to be completed and turned in to the Director when you are ready to proceed with an assessment. If you have any questions about the information contained in this folder, please do not hesitate to call me.

I cordially invite you to take a tour of our residence to meet our friendly caregivers and experience our warm, comfortable environment! You'll see why Orchard Hills Assisted Living is...The Right Choice.

Sincerely,

Angela Hite
Community Relations Director
